

One Year is More Than Enough!

- One year of entering and leaving church without blessed water.
- One year without communal singing – ‘He who sings, prays twice!’ (St. Augustine).
- One year of shortened liturgy at Mass and months without any Mass at all.
- One year without receiving Communion in the mouth.
- One year with every second bench barred and fewer attendees than before.
- One year of dodgy hand sanitizer instead of blessed water.
- One year of cult-like mask wearing.
- One year of guards controlling church visitors, as if they were prisoners.
- One year without prayer groups, Bible meetings, youth and children’s groups.
- One year without socialising after Church.
- One year of screens instead of real meetings.
- One year without (or with restricted) weddings, funerals, Baptism, First Communion and Confirmation.
- One year of separation from the elderly, the vulnerable, and those in need of charity.
- One year without collecting cash donations (in order for us to get used to a cashless society).
- Do you know that you have been lied to for over a year?
- Do you know that there is no real pandemic (the first lockdown was only meant to last 3 weeks)?
- Do you know that very few die of covid (average age of death is 82; and many incorrect death records)?
- Do you know that far more people are dying due to lockdowns and restrictions than from the virus?
- Do you know that masks are useless and bad for your physical and mental health?
- Do you know that more people die of the seasonal flu than of covid (the rebranded ‘flu’)?
- Do you know that test and trace is a preliminary practice for an unlawful vaccination pass?
- Do you know that the covid test is useless and produces mainly false positives?
- Do you know that the ‘vaccine’ is an experimental gene therapy for killing and changing mankind?
- Do you know that the Church has given up so much for nothing?
- Do not wait for the government to give back your religious freedom – they don’t want to, ever!
- God is above the Church, not the government; the Church is responsible before Him in first place!
- It is time to stand up for our religious freedom, for free speech and charity (enough of virtue signalling)!
- It is the Church’s duty to expose this biggest global fraud in history; this is a fight against evil!
- We must put an end to the depopulation, agenda-21 plan. Lives are depending on this.
- It is time to get on our knees and pray that our faith becomes strong again!
- In the name of God, let us fight for our faith – if we lose our faith we will lose everything.
