

Dance Once More
Lyrics Credit: Nigel Utton / White Rose UK

CHORUS

[Gm] Dance once more [Cm]
Everybody wants to [Gm] dance once more
We don't want to be [D7] bound by chords,
Have our thoughts tied up in [Gm] knots *by yours*
[D7] oh, no-no, no-no, no ...

Variation

[Gm] Dance once more
Everybody wants to [Cm] dance once more
We don't want to be [Gm] bound by chords, [D7]
Have our thoughts tied up in [Gm] knots *by yours*

Verse 1

[D7] *We're as free as birds in [Gm] flight*
[D7] *We challenge the lies we hear at [Gm] night*

We won't obey your regu-[Cm]-lations
And in the morning in all [Gm] nations
You'll hear our shout of conster-[D7]-nation

[D7] *And in the evening on T [Gm]V*
[D7] *When the announcer says to [Gm] me*

"We've found a newer vari-[Cm]-ation"
New rules under dic-[Gm]-tation
Wear your mask for your sal-[D7]-vation

Oh no no-no no-no no...<<TO CHORUS>>

Verse 2

[D7] *In a taxi, on a [Gm] bus*

[D7] *What a kerfuffle what a [Gm] fuss*

Crazy rules we have to [Cm] follow

Will this madness end to-[Gm]-morrow?

This is becoming hard to [D7] swallow

[D7] *And all the stupid rules they [Gm] make*

[D7] *All the news they give is [Gm] fake*

All their promises are [Cm] hollow

And all the money that we [Gm] borrow

Will it end one day in [D7] sorrow?

Oh no, no-no, no-no, no ...<<TO CHORUS>>

Verse 3

[D7] *Don't let the politicians [Gm] say*

[D7] *"It will be normal again one [Gm] day"*

Human rights are funda-[Cm]-mental

We – the people – influ-[Gm]-ential,

Hugs and kisses are es-[D7]-sential.

[D7] *The elite have had their [Gm] day*

[D7] *Politely ask them "Go a-[Gm]-way"*

Love and happiness are [Cm]central

All your drugs experi-[Gm]-mental

They still claim it's acci-[D7]-dental

Oh no, no-no, no-no, no ...<<FINAL CHORUS>>
